Section 2 - Hazards Identification

Hazard categories: Flammable Liquid 2; Eye Irritation 2A; Skin Irritation 2; Specific Target Organ Toxicity, 3 Respiratory System

Signal word: Danger

Hazard statements: Highly flammable liquid and vapor
 Causes serious eye irritation
 Causes skin irritation
 May cause drowsiness or dizziness

Pictograms: Corrosion, Exclamation Point and Health Hazard

Precautionary statements

Prevention

Keep away from sparks and open flames. No smoking.
 Use only outdoors or in a well-ventilated place.
 Avoid breathing vapors.
 Keep container tightly closed.
 Ground/Bond container and receiving equipment.
 Use only non-sparking tools.
 Take precautionary measures against static discharge.
 Wash hands thoroughly after handling.
 Wear protective gloves such as rubber or latex (not disposable latex)
 Wear eye protection such as safety glasses with side shields.

DANGER!

Response

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.
IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with plenty of water. If irritation occurs, get medical advice. Wash contaminated clothing before reuse.
IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER if you feel unwell.
 In case of fire: Use B or C fire extinguisher to extinguish.

Storage: Keep container tightly closed. Store locked up. Store in a well ventilated place. Keep cool.

Disposal: Dispose of contents in accordance with local, regional, national and international regulations.

Section 3 - Composition / Information on Ingredients

| Ingredient | C.A.S. No. | Concentration |
|-------------------------------|------------|---------------|
| Acetone | 67-64-1 | 39% |
| 2-Butanone | 78-93-3 | 31% |
| Vinylidene chloride copolymer | N/A | 27% |
| 1,2 Butylene Oxide | 106-88-7 | 2% |

The remaining ingredients are not reportable as described in Appendix D to Sec. 1910.1200 Table D.1.

Section 4 - First Aid Measures

Eye Contact: Immediately flush eyes with water, lifting upper and lower eyelids occasionally. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

Skin Contact: Wipe off wet material with a paper towel or rag. If dry, it will often peel or rub off. If not, use a small amount of acetone or M.E.K. on a rag to remove it. Wash the exposed area with soap and water. Remove contaminated clothing and shoes. If irritation develops and persists, get medical attention.

Inhalation: If affected, move the affected person to fresh air. If irritation persists get medical attention. If breathing has stopped, give artificial respiration and get medical attention immediately.
