**Section 2 - Hazards Identification**

Hazard categories: Flammable Liquid 2; Eye Irritation 2A; Skin Irritation 2; Specific Target Organ Toxicity, 3 Respiratory System

Signal word: Danger

Hazard statements: Highly flammable liquid and vapor  
 Causes serious eye irritation  
 Causes skin irritation  
 May cause drowsiness or dizziness

Pictograms: Corrosion, Exclamation Point and Health Hazard

Precautionary statements

Prevention

- Keep away from sparks and open flames. No smoking.
- Use only outdoors or in a well-ventilated place.
- Avoid breathing vapors.
- Keep container tightly closed.
- Ground/Bond container and receiving equipment.
- Use only non-sparking tools.
- Take precautionary measures against static discharge.
- Wash hands thoroughly after handling.
- Wear protective gloves such as rubber or latex (not disposable latex)
- Wear eye protection such as safety glasses with side shields.

**DANGER!**

Response

- IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.
- IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with plenty of water. If irritation occurs, get medical advice. Wash contaminated clothing before reuse.
- IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER if you feel unwell.
- In case of fire: Use B or C fire extinguisher to extinguish.

Storage: Keep container tightly closed. Store locked up. Store in a well ventilated place. Keep cool.

Disposal: Dispose of contents in accordance with local, regional, national and international regulations.

**Section 3 - Composition / Information on Ingredients**

Ingredient	C.A.S. No.	Concentration
Acetone	67-64-1	39%
2-Butanone	78-93-3	31%
Vinylidene chloride copolymer	N/A	27%
1,2 Butylene Oxide	106-88-7	2%

The remaining ingredients are not reportable as described in Appendix D to Sec. 1910.1200 Table D.1.

**Section 4 - First Aid Measures**

- Eye Contact:** Immediately flush eyes with water, lifting upper and lower eyelids occasionally. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.
- Skin Contact:** Wipe off wet material with a paper towel or rag. If dry, it will often peel or rub off. If not, use a small amount of acetone or M.E.K. on a rag to remove it. Wash the exposed area with soap and water. Remove contaminated clothing and shoes. If irritation develops and persists, get medical attention.
- Inhalation:** If affected, move the affected person to fresh air. If irritation persists get medical attention. If breathing has stopped, give artificial respiration and get medical attention immediately.
